The 4th International Conference on Information Technology and Security (IC-ITECHS)

"Leveraging Technology for Effective E-Learning"

Supported and co-Host:

Greetings from General Chair

Dearest Conference Participants

We have gathered here to discuss the scope of Application for Technology of Information and Communication. I am highly honored to take this opportunity, on behalf of all committee and organizer, to welcome all of you today to this International Conference on Information Technology and Security (IC-ITECHS)
IC-ITECHS is an annual international conference organized by STIKI Malang in collaboration with several partner universities. IC-ITECHS was held online on Tuesday, 5 December 2023. The theme of the conference is **Leveraging Technology For Effective E-Learning**. All accepted articles will be published in international online proceedings with ISSN.
Therefore, I would like to thank all the organizers, supporters, and organizing committee members of IC-ITECHS 2023 who have made this conference happen. I believe that without their support and hard work, IC-ITECHS 2022 would not have come true.
We do hope that this conference is also going to be a great success, and we request for your support to make this event a memorable and successful one.

With warm regards

Addin Aditya, S.Kom., M.Kom
